Sir:

Copies of Forms PTO-1449 submitted during prosecution of this application are enclosed herein. It appears the Examiner did not consider references AG, AH and AI on Form PTO-1449 filed with the IDS on March 30, 2006 and references AG and AH listed on Form PTO-1449 filed with the IDS on February 28, 2008.

The Applicants respectfully submit that, as shown on Forms PTO-1449 of the IDS filed on March 30, 2006 and February 28, 2008, English Abstracts of the non-English references were submitted. MPEP §609.04(a)(III) states, "Submission of an English language abstract of a reference may fulfill the requirement for a concise explanation." Also, §1.98(a) does not require "a full translation of relevant material", but rather a "concise explanation of the relevance."

As such, Applicants respectfully request that the Examiner consider the submitted translated Abstracts, and return the Forms PTO-1449 to indicate same. If further questions, please contact the undersigned.

Respectfully submitted,

STAAS & HALSEY LLP
